

Safeguarding at Fable House

At Fable House we make sure all students feel safe. We understand that feeling safe is essential for learning and development.

What does keeping safe mean?

At Fable House, all of the adults around you think that your health, safety and welfare are very important. We respect our students and want to keep you safe and help to protect your rights. We teach you how to recognise risks in different situations and how to protect yourself and stay safe.

How will we try to keep you safe?

We think about what is working well, what we are worried about and what we can do next to support you. We want to ensure that you remain safe at home as well when you are here. We think it is important for you to know where to get help if you are worried or unhappy about something.

If you need to talk, we will listen!

You can talk to any adult at Fable House. We are all here to listen and help you. It is Lizzy Latham and Claire Thorpe's role to keep all students safe and make plans to support you.

We Are Your Safeguarding Team

You can talk to any staff at Fable House about any worries you may have. The staff below help make a plan to support you so things get better.
